# *I* *Welcome*

Last year brought many changes to our annual Member/Guest Tournament. Not only did we change the format, we added more golf for your money. This year will be no different. Modest changes to the starting times will allow our guests earlier finishing times to be able to travel after a fun and relaxing weekend. The Member/Guest Tournament Committee has continued its tireless efforts to add more value to our most popular weekend of the year. We hope each of you will enjoy another memorable weekend of golf, food, comradery and friends (old and new).

WELCOME TO GREENE HILLS CLUB  
MEMBER/GUEST TOURNAMENT  
WEEKEND!

## Format

**Form of Play:** Two-Man, Net Best Ball Match Play, 80% of handicap

**Handicaps:** All players must have a current U.S.G.A. Handicap or present the staff with evidence of current scores (6 or more) so a handicap may be calculated. In either case it is the Members responsibility to insure their guests handicap is accurate. Sandbagging will no be tolerated! We want the competition to be as fair as possible and fun for all.

**10 Shot Rule:** Partners will only be allowed a 10 shot difference in their 18-hole course handicaps. This translates to a 5 shot difference for the 9-hole matches.

**Tees:** Players under age 65 will play the **White Tees**. Players 65 and over may play the **Gold Tees** if they designate it on their entry form. Per USGA rules, there will be an adjustment to the handicaps for those playing the gold tees. **Note: Tee designation may not be changed once the flights have been determined.**

**Flights:** Teams will be preflighted into six team flights based on their combined handicaps (The 10 shot rule applies.). Each team will play a 9-hole match against the other 5 teams in their flight.

**Scoring:** Each 9-hole match will be scored on a point per hole basis i.e. 1 point for a win, 1/2 point For a tie, 0 point for a loss. There will be an additional point for winning a match or in case of a tie, an additional 1/2 point. (10 points available per match.)

**Blowout Rule:** The maximum number of points a team can win in any match is limited to 8 points. Example: Team A beats Team B (9 to 0). Team A gets a point for winning the match which would make the score (10 to 0). The blowout rule would make the score (8 to 0).

**Flight Winners:** The winner of each flight will be the team with the highest point total. Ties for flight winners will be determined by: 1) Head to head results 2) Total matches won 3) a chip off. All flight winners advance to the Championship Shootout.

**Wild Card Teams:** Two extra teams, not winning their flight, will make the shoot-out. 1) The team with the highest point total for the 5 matches. 2) The team with the highest point total for Sunday's matches only. **Additionally, any team going undefeated and untied for the five matches will also advance to the shoot-out.** *Note: Ties for Wild Card Spots will be decided by a closest to the pin challenge from the 10th tee box to the 18th green.*

**Championship Shoot-out:** The championship will be decided by a Shoot-Out, consisting of all the flight winners and two or more wild card teams. Beginning immediately following the final round, the Shoot-Out format will be True Alternative Shot. The Shoot-Out will begin on hole #4. The eight (8) lowest scoring teams on hole #4 will advance to hole #9. If there are ties at the end of a hole, a chip-off will determine which teams advance. The three (3) highest scoring teams on hole #9 will be eliminated and remaining teams will advance onto hole #10. Two (2) teams will be eliminated on hole #10. The remaining three teams will move on to hole #17. One team will be eliminated on hole #17. The two remaining teams will move to hole #18. The winner of hole #18 will become the Greene Hills Club Member-Guest Champion!

*We invite all players and spouses to join in the fun by following and cheering on your friends & flight competitors during the Shoot-out.*

# V Wagers

*Have some fun with this year's field by trying your luck with predicting this year's winners. Here is how it works.*

## **PARAMUTUAL BETTING**

Each participant may purchase a \$5.00 ticket on any team in the field, a WIN ticket on teams you feel will finish First Overall in the shoot-out, a PLACE ticket on teams you feel will finish First or Second in the shoot-out, and a SHOW ticket on teams you feel will finish First, Second, or Third in the shoot-out. All tickets are \$5.00 per ticket and you may purchase as many tickets as you like in all three categories or you can purchase just one ticket. Payouts are based on the number of winning tickets in each category divided by the total dollar amount of money within the three category ticket boxes. The winning ticket must match one of the "sister" tickets that will be collected when you purchase the ticket.

## **SIDE BET**

Each team has the opportunity to purchase themselves for \$50. The winning team in each flight will receive \$200 with the second place team in the flight receiving \$100. If a team decides to not to "buy" themselves, any other team may "purchase" them.

## **FLIGHT BET**

Buying into your own flight (\$50 per team) will keep everyone interested in who wins the shoot-out. If the winning team comes out of your flight, the purse will be split by the number of teams that bought into your flight.

For example, if every team buys in ( $60 \times \$50 = \$3,000$ ), then every team in the winning flight will receive \$500.
