

Welcome to the 2017 Greene Hills Swim Team

Under the direction of co-head coaches, Patrick Kibler and Hillary Bigman, Greene Hills Swim Club looks forward to an exciting season of fun and friendly competition. Patrick Kibler will rejoin the Greene Hills Team for his 9th year of coaching as a co-head coach of the Gators. Patrick also coached for the William Monroe High School Swim Team. As a youngster, Patrick began his swimming career at the age of 5 under former Coach Chris Taylor. Patrick was an outstanding swimmer for Greene Hills from age 5 to 18, placing top 3 in the league and continues to be a record holder at the club. Patrick was a Jefferson District High School Champion and Virginia State High School finalist in breaststroke and IM. After high school, Patrick continued his career in swimming at UVA on its club team. After graduating from UVA, Patrick secured a job at PRA International. He and his wife, Sylvia, currently have 5 children and live in Stanardsville in the family home.

Patrick's co-coach, Hillary Bigman, is new to the Gators family but not unfamiliar with Greene County as she has taught 5th grade at Nathanael Greene Elementary School for the last 4 years. She is very excited to join our family as she grew up swimming as a youngster in Richmond for the Church Run Swim Team where she too is a record holder in many events. She is a JMU graduate and absolutely adores and loves her Australian Shepard

Pool Manager, Julie Mitchelson

We also welcome back Julie Breeden Mitchelson as the Pool Manager for the 3rd year, who grew up and is a resident of Greene County and a long-time member of the Greene Hills Golf and Swim Club. Spending her summers at Greene Hills, where she was on the swim team and considered it a "home away from home," is one of my fondest childhood memories. Now as an adult, she enjoys watching her children make similar memories. As a parent, being involved with the Greene Hills Club is very important to her. Maintaining a safe and inviting environment is her top priority. Since Julie is a parent of two children, Riley and Sophia, and has taught at Ruckersville Elementary for over 17 years and has experience in coaching cheerleaders, She feels that she is very prepared to work with the children and families. She is an experienced swimmer with lifeguard and CPR training, which not only qualifies her to be a pool manager, but to teach swim lessons as well. She is looking forward to a fabulous summer in working with your children and you. Please feel free to contact her with any questions or concerns.

Seasonal Pool and Tennis

2017
