

2023 JUNIOR GOLF CLINICS

Junior Golf Clinics will be held Wednesday mornings. We will be running our junior program as in the past. However, due to the tremendous response, we ask that parents sign up their junior golfers in advance. This will enable us to schedule the juniors by age and in manageable groups. The Junior Golf Clinics will be held every Wednesday morning from June 7 through July 12. The time will be determined by age groups and announced at a later date. The fee is \$25 per member and should accompany the entry form below. Deadline for sign up is June 1. Ages 8-17 are eligible.
