## FORMAT: SHOT OUT

Shot Out is a new tournament format similar to captains choice. All 4 players tee off on each hole. The team then chooses the ball they would like to play their 2nd shot from. The player whose ball was chosen has to sit out of the next shot only. This continues until the ball is in the hole. On the next hole all players tee off again.

## EXAMPLE of FORMAT

Players B, C, and D hit 3rd shot, Player A sits out

Team chooses to play from Player C's 3rd shot location

Players A, B, and D hit 4th shot, Player C sits out
